Due to the success of the play and wellbeing boxes being rolled out across the Pontypool areas.. with your kind contribution to carry it on before Christmas. We are still being requested to support families as we are now in another lockdown. Would there be a possibility of any financial support to make more boxes? We would be looking at £1,900. This would give us the opportunity to make approximately 50 more boxes and to distribute them to the communities to children and families across Pontypool during these unforeseen times.

Let me know your thoughts on this.

Many thanks,

Julian
