Torfaen Playservice

The Council welcomed Mr Julian Davenne, Torfaen Playservice Manager and Teagan a play service volunteer to the Council meeting to talk on the findings of the recent play sufficiency assessment, and the action plan where it links to the communities of Pontypool and their plans going forward.

Mr Davenne thanked the Council for offering him and Teagan the opportunity to attend the meeting. He stated that Torfaen Play Service is about supporting children and families as a mechanism of early intervention through the medium of play 7 days a week. He stated that he has been in his position for 20 years and loved the job as much as when he first started.

Mr Davenne introduced Teagan a young person who has volunteered as a play leader for the last 3 years. Teagan informed the meeting what she had got out of volunteering for the Play Service informing members that she had learnt from others, developed new skills which would help her going forward in her chosen career path of working with children. Mr Davenne stressed the importance of young people like Teagan volunteering and the valuable contribution they make to the service.

Mr Davenne explained that their work is governed through the councils Play Sufficiency Action Plan which is fed back to Welsh Government on an annual basis. He explained that currently there are five themes of work delivered by the Play Services as follows:

Inclusive Play
Play in the Community
Play in Schools
Holiday Play Provisions
Additional Play Support

He gave facts and figures in relation to the above five themes (information attached as an appendix to the minutes).

Torfaen Play Service has worked in partnership with Pontypool Community Council and other Town and Community Councils across Torfaen, Blaenau Gwent and Monmouthshire to deliver safe staffed play scheme provision for children and young people.

Mr Davenne informed the meeting how the play schemes are creating safe environments for children to play within the communities. The module across Torfaen has been recognised by the Welsh Government as a model of good practice and the Service has been contacted by many authorities to give advice and

	<p>knowledge as to how to use the disability and volunteering module.</p> <p>Mr Davenne concluded by stating that The Torfaen Play Service Team won the COVID response accolade award at the National Play work Awards ceremony in Eastbourne.
